SPRING 2021

Dear MAC Viewers,

Thank you for joining us tonight for this virtual performance and supporting the artists in tonight's performance. We have found ways to keep the arts alive, but what I learned and have always known is that the audience is the most important part of the show and we miss seeing you. I miss the audience interaction and meeting new people at the shows.

I am going to ask you a favor... while you are watching please snap a photo and share it with us, so we can share it and stay connected. Feel free to drop us a line to let us know how you enjoyed the show or what you want to see more of. You can email me at martinezd59@cod.edu. I have deep confidence that we will be together in person soon, and we are so fortunate to stay connected through technology and take a break from this crazy world and escape into something that heals, and fills our soul!

With deepest gratitude for your support and patronage.

Enjoy the show!

presents

Music at the MAC

“Welcome to a place where music is performed, studied, explored and shared.” Well, in the fall semester of 2020-2021, that place is an electronic reality, not a geographical one. The era of COVID19 has changed the way we make music, but not the joy of it.

Normally, in the McAninch Arts Center at College of DuPage, students and community musicians explore the musical arts, hone their skills and entertain audiences. You can usually walk through our hallways and hear the sounds of instrumental and vocal ensembles, private lessons in all instruments and voice, and music classes, as well as in performances like the one you are enjoying today.

This year, www.atthemac.org is the ‘place’ where you can find our music program. Many of our music courses are being offered in a hybrid format, with some face-to-face instruction. Others are virtual, either synchronous or asynchronous.

We hope you enjoy the broad range of music we make with collaborations of eager musicians and experienced faculty in classical, jazz and unclassifiable styles. All of our ensembles welcome new members at the start of every semester and perform regularly. We hope to bring back one or more of our other ensembles in the spring.

We hope you enjoy tonight’s concert. Drop in on our free virtual Music Fridays @ Noon on atthemac.org/music-fridays-noon. Join us on Facebook (**AtTheMAC**) or by joining our e-newsletter for news about all the events at the MAC (www.AtTheMAC.org).

Enjoy the music!

PROFILES

COD Jazz/Pop Ensembles embrace all genres of music in order to prepare students for the various opportunities the music industry has to offer. Whether it's swing, bop, funk, soul, reggae, rock or anything else, these students take the time to study the characteristics of a genre so they can put on an unforgettable performance.

Rehearsals are Monday - Thursday 12-1:20p, Room 138 McAninch Arts Center. Contact Matt Shevitz at shevitzm@cod.edu with any questions.

Dr. Matt Shevitz has been an in demand musician in Chicago, Illinois for almost 20 years. Throughout his music career he has performed alongside such internationally renowned jazz musicians as Dick Hyman, Ignacio Berroa, Howard Levy, Frank Capp, Randy Sandke, Ken Peplowski, Byron Stripling, and Frank Wess along with blues/roots rock guitarist Eric Lindell and Ropeadope Records artists Spare Parts. With these artists and others, Shevitz has performed at such festivals and clubs as the Jazz in the Park Festival (in Milwaukee, WI), the Waterfront Blues Festival (in Portland, OR), the Chicago Blues Festival, Lollapalooza, the House of Blues in Chicago, and as a featured artist for Oregon Festival of American Music (in Eugene, OR) and the Modlin Center for the Performing Arts (in Richmond, VA).

Shevitz's debut album as a bandleader, *Forward Motion*, was released in 2018 and has been played on radio stations around the country (including College of DuPage's own WDCB). Stanford University's KZSU radio station called it a "superb outing" with "several stellar solos." Shevitz is currently working on the release of his second album, which is to be released later this year. In addition to performing, Shevitz has been a regular contributor to DownBeat Magazine since 2009. He has published articles analyzing transcriptions of great jazz solos as well as jazz theory and effective practice habits. His articles have garnered the attention of musicians worldwide.

In 2009, Shevitz received a Doctor of Musical Arts in Jazz Performance degree from the University of Illinois at Urbana-Champaign, for which he did extensive research on the great jazz saxophonist Harold "Tina" Brooks. His other degrees consist of a Master of Music in Jazz Pedagogy from Northwestern University and a Bachelor of Science in Music from the University of Oregon.

*Thank
You!*

The MAC, in partnership with the College of DuPage Foundation, thanks our generous 2020-2021 sponsors. Sponsor support helps us to keep ticket prices affordable and allows for engagement and enrichment for the entire community, making the MAC the Center where culture and community connect.

Friends of the MAC

The Friends of the MAC is a family of people who have decided that a world-class performing and visual arts center should reside in their community. Ticket sales only provide 42 percent of our \$3 million operating budget. It is through the support of College of DuPage and through the generous gifts from patrons and local businesses that we can keep art in our gallery and on our stages.

Your gift to the MAC

- Brings nationally and internationally renowned artists to our community
- Supports our SchoolStage program that annually offers affordable arts experiences to thousands of school children
- Provides students and community members the opportunity to interact with artists
- Enhances the quality of life in our community

Without the generous support of the Friends of the MAC we would not be the cultural hub of DuPage County. We gratefully thank our friends and we invite others to join them.

For complete details, visit the MAC Ticket Office or call the MAC at (630) 942-2263 or the College of DuPage Foundation at (630) 942-2466.

Arts Center and MAC-tastic Treat Seats Endowments

Donors may choose to direct gifts to the Arts Center Endowment or the newly established MAC-tastic Treat Seats — Tickets for Kids & Families Endowment. Donations made to these MAC Endowments, our “savings accounts,” go into principal secured, invested accounts that will provide ongoing support for arts programs and arts accessibility for years to come.

The McAninch Arts Center and the College of DuPage Foundation can also provide you with information on Planned Giving opportunities.

For more information, please contact the MAC at (630) 942-2263, the College of DuPage Foundation at (630) 942-2466 or visit foundation.cod.edu.
