— WHY ENGAGE WITH THE ARTS —

Adapted from “Learning Through the Arts” by Dee Dickinson

- The arts provide opportunities for expression—bringing the inner workings of ourselves out into the world around us.
- The arts give us a language that all people can speak, connecting us culturally and socially by breaking down the barriers of economics and education.
- The arts allow us to learn about and appreciate other cultures.
- The arts provide the means for everyone to learn, improving academic achievement through test scores, and enhancing social skills as well as critical and creative thinking.
- The arts make it possible to use personal strengths in meaningful ways, allowing bridges to understanding difficult abstractions.

Learning to trust and develop friendships while engaged in creativity brings the connection down to one-on-one and allows the larger community to gather and experience the arts together.

Music at the MAC

“Welcome to a place where music is performed, studied, explored and shared.” And we’re back!

After a year and a half of electronic dislocation, we are making music in person and sharing it with friends, family and audience. We can’t tell you how gratifying that is. We are, indeed, grateful.

In the McAninch Arts Center at College of DuPage, students and community musicians explore the musical arts, hone their skills and entertain audiences. You can usually walk through our hallways and hear the sounds of instrumental and vocal ensembles, private lessons in all instruments and voice, and music classes, as well as in performances like the one you are enjoying today.

The Music program at College of DuPage is back to “almost normal,” with classes, ensembles, lessons and performances taking place in person. We hope you enjoy the broad range of music we make with collaborations of eager musicians and experienced faculty in classical, jazz and unclassifiable styles. All of our ensembles welcome new members at the start of every semester and perform regularly.

Some of us have been making and teaching music at COD for more than four decades. While faculty, students and audiences change, we are part of a legacy of music as an essential form of human expression from the very beginning of human life. The primacy of musical expression continues to this day, despite all obstacles.

We hope you enjoy tonight’s concert. Drop in on our free Music Fridays @ Noon in MAC 140. Join us on Facebook (AtTheMAC) or by joining our e-newsletter for news about all the events at the MAC (www.AtTheMAC.org).

Thank you for joining us for these concerts. *Enjoy the music!*

PROFILES

COD Jazz/Pop Ensembles embrace all genres of music in order to prepare students for the various opportunities the music industry has to offer. Whether it's swing, bop, funk, soul, reggae, rock or anything else, these students take the time to study the characteristics of a genre so they can put on an unforgettable performance.

Rehearsals are Monday to Thursday from noon to 1:20 p.m. in the McAninch Arts Center (MAC), Room 138. Contact Matt Shevitz at shevitzm@cod.edu with any questions.

Dr. Matt Shevitz is an in-demand musician in the jazz, blues and popular music scenes of the Chicago area. He has performed alongside such internationally renowned jazz musicians as Dick Hyman, Ignacio Berroa, Howard Levy, Frank Capp and Frank Wess, along with blues/roots rock guitarist Eric Lindell and Ropeadope Records artists Spare Parts. Shevitz has performed at Jazz in the Park Festival (Milwaukee), Waterfront Blues Festival (Portland), Chicago Blues Festival, Lollapalooza and House of Blues in Chicago. Shevitz is a contributor to *DownBeat Magazine* since 2009, with articles analyzing transcriptions of great jazz solos, as well as jazz theory and effective practice habits. Shevitz is a professor and the director of jazz ensembles at College of DuPage. He received a Doctor of Musical Arts in Jazz Performance degree from the University of Illinois at Urbana-Champaign, a Master of Music in Jazz Pedagogy from Northwestern University, and a Bachelor of Science in Music from the University of Oregon.

Friends of the MAC

The Friends of the MAC is a family of those who have decided that a world-class performing and visual arts center should reside in their community. Ticket sales provide only 42 percent of our \$4 million operating budget. It is through the support of College of DuPage and through the generous gifts from patrons and local businesses that we can keep art in our museum and on our stages.

Your Gift to the MAC

- Brings nationally and internationally renowned artists to our community
- Supports our SchoolStage program that annually offers affordable arts experiences to thousands of schoolchildren
- Provides students and community members the opportunity to interact with artists
- Enhances quality of life in our community

Without the generous support of the Friends of the MAC, we would not be the beacon for the arts in DuPage County. We gratefully thank our friends, and we invite others to join them.

Arts Center and MAC-tastic Treat Seats Endowments

Donor may choose to direct gifts to the Arts Center Endowment or the MAC-tastic Treat Seats – Tickets for Kids & Families Endowment. Donations made to these MAC Endowments, our “savings accounts,” go into principal secured, invested accounts that will provide ongoing support for arts programs and arts accessibility for years to come.

The McAninch Arts Center and the College of DuPage Foundation can also provide you with information on planned giving options, gifts of stock, IRA Charitable Rollovers and other giving opportunities.

For complete details, visit the MAC Box Office or contact the College of DuPage Foundation at (630) 942-2462 or foundation@codfound.org.
