TAKING THE STAGE BY STORM

Welcome to the MAC! Our entire staff is thrilled to have you here and we are grateful that you have chosen to invest your time in live entertainment and world-class culture in our community. We want to offer you a space to unwind and enjoy an evening filled with laughter, music, dance, or theatre. Our aim is to provide you with unique and inspiring opportunities to engage more deeply with the arts. Join us for a complimentary pre-show MAC Chat or Q&A following specific performances. Our arts center, located in a community college, offers over 60 student productions supported by professional lighting, sound, and costumes. These can be enjoyed at affordable costs, or you can attend our FREE programs like Music Fridays at Noon and our free international global film series, Global Flicks in February. We hope to exceed your expectations with excellent service and special pre and post-show engagement opportunities. These will help you connect with the artists and art forms more deeply. While you are here, don't forget to visit the Cleve Carney Museum of Art in the lobby to experience cutting-edge contemporary art. You can also enjoy our full-service concession area and gift shop.

After your visit, please stay connected with us by joining us on Facebook (AtTheMAC) or subscribing to our e-newsletter to find out about added shows, events, and special offers (www.AtTheMAC.org). We challenge you to try something new at the MAC and expand your cultural palate. Come see the New Philharmonic Orchestra or a Buffalo Theater Ensemble Play. Or join us this summer for the Lakeside Summer Series. We are grateful for your presence here and we want to ensure that your visit is enjoyable. If you need anything, please don't hesitate to ask any of the staff and we will do our best to accommodate you.

We hope you have a wonderful time and look forward to entertaining you.

Enjoy the show!

ABOUT

With *Blizzard*, FLIP Fabrique takes you on a crazy, poetic and gentle journey in the dead of winter, and invites you to lose yourself in a moment of complete wonder. With performers at the peak of their art and outstanding visual poetry, *Blizzard* promises to blow away everything in its path.

What if winter has taken over?

Not just outside, in the streets and in the fields,

But also in the houses, in the bedrooms

Underneath our clothes, and even right into our hearts.

Everything, absolutely everything, buried under the snow,

Obliterated by a white-out.

The north wind freezes time as it flows over us.

Would it be a catastrophe?

Or a chance to start over,

To fix our mistakes?

A new blank page

In the shape of a blizzard.

Olivier Normand (Stage Director). Since graduating from Quebec City's Conservatory of Dramatic Arts, Olivier Normand has become one of the most prominent actors of the Capital, thanks to his performances in *Les Feluettes* (Lilies), *The Misanthrope* and *Britannicus*. As of 2013, he is also part of the cast of Ex Machina's *Jeux de cartes:*

Coeur, by Robert Lepage. His talents have earned him many awards. A creative, hands-on artist, Normand is also interested in writing and directing. Following *Attrape-moi*, he reconnects to success and circus in 2015 and in 2016 with the staging of *Crépuscule*, which has been seen by more than 220,000 people.

Ben Nesrallah (Musician). Performer, writer, arranger, recording artist, and teacher, Ben Nesrallah is a musical jack-of-all-trades, an under-cover classical pianist and he quickly establishing himself as one of his generations most promising musical talents. From 2016 to 2018, he toured as a multi-instrumentalist and singer in Cirque

Éloïze's *Saloon*. With five albums under his belt, and a wealth of touring experience, Nesrallah is very excited to have joined the FLIP Fabrique family.

Mathieu B-Girard (Acrobat) started the circus in his mid-twenties by training with trainers from Montreal. He was then admitted to the circus school of Verdun to learn the basics of the profession and circus technique.

Subsequently, he took part in an international tour as a fire-eater, juggler and porter. He continued by being admitted to the École de Cirque de Québec, where he specialized in hand to hand. At the end of his studies, he joined Acting for Climate Montreal. Now he begins a new adventure with FLIP Fabrique's *Blizzard*.

Jean-Phillipe Deltell (Acrobat) has been immersed in the circus environment for over ten years. He began performing in front of the public at the age of twelve in theatre and improvisation. Soon, he was drawn to the circus and discovered the trampoline, which quickly became his passion. Self-taught and multitalented,

Deltell is also equally at ease juggling rings on firm ground as he is flying through the air doing trapeze and teeterboard acts. He is an

accomplished circus performer who constantly trains to perfect his technique. Although Deltell has many years of practice under his belt, the trampoline wall still makes him as nervous as ever. To psych himself up before going onstage, he pictures himself as a wrestler anticipating a match!

Alana Moggridge (Acrobat). Graduate of the esteemed Québec City Circus School, Moggridge spent her time at school exploring many disciplines; hand to hand, silks, handstand, Chinese pole, aerial hoop and finally settling on aerial straps as her specialty. This spirit of exploration and play is what has led this multi-skilled artist to travel the world performing for the largest cirque companies. With a view to what's to come Moggridge endeavors to continually evolve, developing both technique and style to bring forth high-level acrobatic artistry and to continue to explore new disciplines and ideas.

Celeste Murman (Acrobat) is a versatile circus artist. Her own approach to circus is one of a kind. She found Chinese pole in 2019 and was instantly drawn to it. She later found her true calling when she tried this art with two poles. She felt at home jumping and flipping from one foot to another. She decided to dig deeper in this practice at Ecole de Cirque de Quebec where she gained a proficient knowledge of double pole. In school, she learned many other skills like dance, hoop diving, trampoline, trampwall, handstands and acrobatics. Murman loves to share her passion for movement to the world to inspire people to find freedom in their lives.

Nikolas Pulka (Acrobat) is a French acrobat with straps as main discipline. Pulka grew up in the heart of the Amazon rainforest in French Guiana and spent most of his time running wild in the forest and climbing trees. His path to a life as a circus artist started with circus education at École Nationale des Arts du Cirque in Rosny-

sous-bois in Paris and continued at National Circus School of Montreal. After graduating, he spent most of his career working with Canadian companies, working on special events with Cirque du Soleil, and going on tour with Cirque Éloïze and Cirque Alfonse for many years. Pulka has

PROFILES

progressed as an acrobat during the years, becoming a multidisciplinary circus artist known for his expressive and positive energy.

Daniel Sullivan (Acrobat), with a personality just as memorable as his red hair, has been trained in Irish Step Dance since the age of four. At 18, Sullivan was accepted into Montreal's prestigious L'école nationale de cirque where he majored in aerial hoop, and minored in Hula Hoop. Since then, Sullivan performed around the world in cabarets and for prestigious circus companies. He was also featured in many talent shows on television such as *Das Supertalent* in Germany and *America's Got Talent* in the USA.

Dimitri Terribilini (Acrobat) is a Swiss circus artist trained in Switzerland and Canada. He entered the circus world at the age of seven. Being a hyperactive child, he felt home at the Ecole de Cirque de Lausanne, as well as in other activities, such as karate, diving and climbing. When Terribilini learned that he could study at professional circus schools, he made every effort he could to make circus his profession. This allowed him to enter the Ecole de Cirque de Québec where he graduated in June 2022. During his training in Lausanne and Québec, Terribilini performed in more than 100 shows, corporate events and animations. Dimitri practices Chinese pole, hand-to-hand and is a generalist acrobat.

The show's original soundtrack is written and performed by Ben Nesrallah. It's on sale on the artist's website: Bennesrallah.com

The album is also available on all major streaming platforms such as Spotify, Apple Music or YouTube Music.

The list of the songs is available on FLIP Fabrique's website.

Friends of the MAC

The Friends of the MAC is a family of those who have decided that a world-class performing and visual arts center should reside in their community. Ticket sales provide only 42 percent of our \$4 million operating budget. It is through the support of College of DuPage and through the generous gifts from patrons and local businesses that we can keep art in our museum and on our stages.

Your Gift to the MAC

- Brings nationally and internationally renowned artists to our community
- Supports our SchoolStage program that annually offers affordable arts experiences to thousands of schoolchildren
- Provides students and community members the opportunity to interact with artists
- Enhances quality of life in our community

Without the generous support of the Friends of the MAC, we would not be the beacon for the arts in DuPage County. We gratefully thank our friends, and we invite others to join them.

Arts Center and MAC-tastic Treat Seats Endowments

Donor may choose to direct gifts to the Arts Center Endowment or the MAC-tastic Treat Seats – Tickets for Kids & Families Endowment. Donations made to these MAC Endowments, our “savings accounts,” go into principal secured, invested accounts that will provide ongoing support for arts programs and arts accessibility for years to come.

The McAninch Arts Center and the College of DuPage Foundation can also provide you with information on planned giving options, gifts of stock, IRA Charitable Rollovers and other giving opportunities.

For complete details, visit the MAC Box Office or contact the College of DuPage Foundation at (630) 942-2462 or foundation@codfound.org.
