## **Welcome to College Theater at the MAC**

From the inception of planning College Theater productions, each season is built with the idea that both escapism and engagement theater are important for students to experience and our audiences to enjoy. Escapism theater allows us to escape from our daily turmoil and daily life, offering pure entertainment. Engagement theater focuses on the human condition and the burning quest for a solution—it is theater we do not easily forget and that changes us in some way, forever.

The mission of both escapism and engagement theater is to expose everyone to the great theater of the past as well as important theater of today. We’ve chosen an eclectic season including both escapism and engagement theater, culled after considering countless titles and varied genres. Above all, we’re most interested in training our students as artists, both on the stage and behind the curtain, engaging with students and community in our audience, as well. That is the power of live theater, which does not exist except in this live, ephemeral moment—it is an art that celebrates interaction—on stage, but also between stage and audience.

The 2023–2024 College Theater season is a perfect example of this exciting mix: *Dead Man’s Cell Phone*, *Twelfth Night*, *Good Kids*, and *Arsenic and Old Lace*.

Thank you so much for supporting the voices of our talented students and power of live theater. We hope you join us again and again.

## DIRECTOR'S NOTE

Welcome to a world full of charming oddities and dark deeds! *Arsenic and Old Lace* blends dark humor and farcical chaos, with just a pinch of romance, and a dash of murder.

Prepare to meet the eccentric Brewster family, a bizarre clan with secrets lurking beneath their seemingly charming facade. The Brewster sisters, Abby and Martha, serve their elderberry wine (laced with a touch or two of something... extra) to lonely old men, all in the name of misplaced charity. Meanwhile, their nephew, Mortimer, a drama critic with a picture-perfect life, stumbles upon the evidence of their crimes.

Through the lens of comedy, we explore the complexities of familial love and the blurred lines between morality and mortality. *Arsenic and Old Lace* invites us to ponder the boundaries of identity and acceptance. We see how far the lengths of love can stretch, impairing our judgement of right and wrong in the name of protecting those we hold dear.

This production is a celebration of dark humor, quirky familial bonds, and the enduring power of theater. It is a testament to the power of humor in navigating adversity and the importance of accepting individuals for who they are, flaws and all. Join us on an adventure full of unexpected twists, delightful surprises, and a touch of the macabre!
