MCANINCH ARTS CENTER

**Welcome to the MAC!** Our entire staff is thrilled to have you here and we are grateful that you have chosen to invest your time in live entertainment and world-class culture in our community. We want to offer you a space to unwind and enjoy an evening filled with laughter, music, dance, or theatre. Our aim is to provide you with unique and inspiring opportunities to engage more deeply with the arts. Join us for a complimentary pre-show MAC Chat or Q&A following specific performances. Our arts center, located in a community college, offers over 60 student productions supported by professional lighting, sound, and costumes. These can be enjoyed at affordable costs, or you can attend our FREE programs like Music Friday at Noon and our free International Global Film series, Global Flicks in February. We hope to exceed your expectations with excellent service and special pre and post-show engagement opportunities. These will help you connect with the artists and art forms more deeply. While you are here, don't forget to visit the Cleve Carney Museum of Art in the lobby to experience cutting-edge contemporary art. You can also enjoy our full-service concession area and gift shop.

After your visit, please stay connected with us by joining us on Facebook (AtTheMAC) or subscribing to our e-newsletter to find out about added shows, events, and special offers ([www.AtTheMAC.org](http://www.AtTheMAC.org)). We challenge you to try something new at the MAC and expand your cultural palate. Come see the New Philharmonic Orchestra or a Buffalo Theater Ensemble Play. Or join us this summer for the Lakeside Summer Series. We are grateful for your presence here and we want to ensure that your visit is enjoyable. If you need anything, please don't hesitate to ask any of the staff and we will do our best to accommodate you.

We hope you have a wonderful time and look forward to entertaining you.

Enjoy the show!

## ABOUT

iLuminate has been a household name since we were called “The BEST NEW ACT in America!” during our run on *America’s Got Talent* in 2011. Maybe you saw us on TV or heard about us through one of our international appearances or saw our Live show in the heart of New York City. No matter how you found us, we’re just glad you did!

iLuminate is a company based on the fusion of technology and dance. This distinct intermix will reawaken your senses and imagination! We are a diverse team of experts and together we create a visual experience unlike anything you’ve ever seen.

Audiences will see dancers in electrified glow-in-the-dark suits performing dynamic routines and illusions on a darkened stage. It’s a show that’s completely unique to our brand and incomparable to any other dance performance.

iLuminate is the brainchild of Miral Kotb, a woman whose true passions in life are dance and software engineering, which is why you’ll see her both manning the keyboard and dancing on stage in our archive of video performances (which you absolutely should check out).

In 2009, Miral combined her two passions to create our patented iLuminate technology, the tool that enables performers, choreographers, engineers, technicians, stylists and artistic directors to produce explosive performances with customized wireless lighting programs. The results are extraordinary lighting effects choreographed with phenomenal dance moves that take viewers on an exhilarating ride.

You may have seen iLuminate technology in shows around the world — from Cairo to Malaysia and the United States to Hong Kong, we are racking up our mileage points. Check out our Blog to get our exclusive travel stories! Not a world traveler? Watch us from home! We’ve been on TV shows like *Dancing with the Stars*, *the X-Factor*, *Good Morning America*, *The Wendy Williams Show* and *The Ellen DeGeneres Show*. As well as *The American Music Awards*, *MTV’s Video Music Awards*, *BET Awards*, *The Nickelodeon Awards*, *Billboard*, and *Latin Billboard Awards*.

**Miral Kotb** is a prolific entrepreneur in the fields of technology development and the performing arts. In 2009, she combined her passion for dance and technology to create iLuminate, the world's first light dance technology company. Recruited to perform (and becoming a finalist) on the hit television show *America's Got Talent*, iLuminate ignited an electrifying phenomenon and was dubbed "the best new act in America." iLuminate continues to positively impact millions of audience members across the globe with spectacular performances within arenas, theaters, classrooms, and corporate settings.

As a software designer, Kotb has programmed iLuminate's patented technology for major entertainment acts, including Grammy award-winning superstars Chris Brown, Christina Aguilera, The Black Eyed Peas, and Death Cab for Cutie, among others. Her technology has been featured on *Dancing with the Stars*, The American Music Awards, X Factor, *Mira Quien Baila*, MTV's Video Music Awards, Nickelodeon's HALO Awards, and the BET Awards, to name a few. Kotb's work has also been featured at Six Flags Theme Parks, Disneyland, off-Broadway, and at sea with Crystal Cruises.

Kotb is passionate about empowering young people to pursue opportunities in STEM/STEAM. An engaging and influential public speaker, she knows how to enlighten audiences about the creative side of technology. Kotb has spoken at numerous events, including Google Zeitgeist, Google's Made With Code, On Cue, TEDx Teen, TEDx Broadway, Wonder Woman Tech, TIDE Conference, The Apple Developer Conference, Grace Hopper Celebration of Women in Computing, Adaptive Paths, Center for Global Brand Leadership, National Arts Marketing Project, NEXTECH, Capital One, and Acuity Brands, among others. Kotb and her iLuminate team also had the honor of ringing the opening bell at NASDAQ.

A two-time cancer survivor, Kotb has overcome extreme obstacles both personally and within the ever-changing world of technology. Through it all, she believes in being true to herself, and encouraging others to do the same. To learn more about Kotb's journey, watch her story.

# Friends of the MAC

The Friends of the MAC is a family of those who have decided that a world-class performing and visual arts center should reside in their community. Ticket sales provide only 42 percent of our \$4 million operating budget. It is through the support of College of DuPage and through the generous gifts from patrons and local businesses that we can keep art in our museum and on our stages.

## Your Gift to the MAC

- Brings nationally and internationally renowned artists to our community
- Supports our SchoolStage program that annually offers affordable arts experiences to thousands of schoolchildren
- Provides students and community members the opportunity to interact with artists
- Enhances quality of life in our community

Without the generous support of the Friends of the MAC, we would not be the beacon for the arts in DuPage County. We gratefully thank our friends, and we invite others to join them.

## Arts Center and MAC-tastic Treat Seats Endowments

Donor may choose to direct gifts to the Arts Center Endowment or the MAC-tastic Treat Seats – Tickets for Kids & Families Endowment. Donations made to these MAC Endowments, our “savings accounts,” go into principal secured, invested accounts that will provide ongoing support for arts programs and arts accessibility for years to come.

The McAninch Arts Center and the College of DuPage Foundation can also provide you with information on planned giving options, gifts of stock, IRA Charitable Rollovers and other giving opportunities.

**For complete details, visit the MAC Box Office or contact the College of DuPage Foundation at (630) 942-2462 or [foundation@codfound.org](mailto:foundation@codfound.org).**
