Director

MAY 6, 2024

Welcome to the MAC! Our entire staff is thrilled to have you here and we are grateful that you have chosen to invest your time in live entertainment and world-class culture in our community. We want to offer you a space to unwind and enjoy an evening filled with laughter, music, dance, or theatre. Our aim is to provide you with unique and inspiring opportunities to engage more deeply with the arts. Join us for a complimentary pre-show MAC Chat or Q&A following specific performances. Our arts center, located in a community college, offers over 60 student productions supported by professional lighting, sound, and costumes. These can be enjoyed at affordable costs, or you can attend our FREE programs like Music Friday at Noon and our free international global film series, Global Flicks in February. We hope to exceed your expectations with excellent service and special pre and post-show engagement opportunities. These will help you connect with the artists and art forms more deeply. While you are here, don't forget to visit the Cleve Carney Museum of Art in the lobby to experience cutting-edge contemporary art. You can also enjoy our full-service concession area and gift shop.

After your visit, please stay connected with us by joining us on Facebook (AtTheMAC) or subscribing to our e-newsletter to find out about added shows, events, and special offers (www.AtTheMAC.org). We challenge you to try something new at the MAC and expand your cultural palate. Come see the New Philharmonic Orchestra or a Buffalo Theater Ensemble Play. Or join us this summer for the Lakeside Summer Series. We are grateful for your presence here and we want to ensure that your visit is enjoyable. If you need anything, please don't hesitate to ask any of the staff and we will do our best to accommodate you.

We hope you have a wonderful time and look forward to entertaining you.

Enjoy the show!

Director, McAninch Arts Center

Music at the MAC

Welcome to a place where music is performed, studied, explored and shared!

In the McAninch Arts Center at College of DuPage, students and community musicians explore the musical arts, hone their skills, and entertain audiences. You can walk through our hallways and hear the sounds of instrumental and vocal ensembles, private lessons in all instruments and voice, music classes, and performances like the one you are enjoying today.

We hope you enjoy the broad range of music we make with collaborations of eager musicians and experienced faculty in classical, jazz and unclassifiable styles. All of our ensembles welcome new members at the start of every semester and perform regularly.

Music has thrived at COD for over four decades. While faculty, students, and audiences change, we are part of a legacy of music as an essential form of human expression from the very beginning of human life. The primacy of musical expression continues to this day, despite all obstacles.

We hope you enjoy tonight's concert. Drop in on our free Music Fridays @ Noon in MAC 140. Join us on Facebook (AtTheMAC) or join our e-newsletter for news about all the events at the MAC (www.AtTheMAC.org).

Thank you for joining us for these concerts. Enjoy the music!

ABOUT

Founded in 1969, the **DuPage Community Concert Band** started as a daytime concert band for students and a nighttime band for the community. In 1982, the band was consolidated into one community group. The size of the group has grown ever since.

The band plays two concerts per semester in the McAninch Arts Center Belushi Performance Hall. Membership is open to all high school graduates with woodwind, brass or percussion experience who are otherwise qualified to register. Auditions are required for chair placement, but no one is refused membership. Membership is open each semester in all sections. Call (630) 942-2048 for registration information.

Through music education, and the performance of our music literature, we desire to help facilitate the enjoyment of playing in a band program for all who wish to do so. The exposure to the beauty and expression of music, and the involvement in the activities that are congruent to a person's involvement in the fine arts, will forever enhance that person's life.

The DuPage Community Concert Band program exists to embrace and express all of the beauty and glory we can share with each other through playing great music. We try to program concerts that are entertaining to the audiences, stimulating to the performer, and consistent with the representation and growth of the college and community band medium. The support of the membership, and their desire to perform great music, are the reasons that the DuPage Community Concert Band continues today.

It is our goal that you enjoy the music we will be presenting in our concert. We hope you will like what you hear as much as we delight in performing it for you.

PROFILE

Mark A. Taylor (Music Director) is honored to serve as the Music Director of the College of DuPage Community Concert Band. A conductor, educator, and performer in demand throughout the Great Lakes region, Dr. Taylor has taught with distinction at every level of study, ranging from elementary, middle, and high school to collegiate, amateur, and professional musicians. He is Music Director of Chicago Brass Band and Milwaukee Festival Brass, both award winning British-style brass bands, and Music Director of the Waukegan Band, one of America's oldest and most historic civic ensembles.

He received the Doctor of Musical Arts degree in 2016 from the University of North Texas, where his principal conducting teachers were Eugene Migliaro Corporon, Dennis Fisher, and Nicholas Enrico Williams. Dr. Taylor's dissertation, "British-Style Brass Bands in U.S. Colleges and Universities," documented the existence of brass bands in American college music programs, past and present.

Prior to his doctoral study, he served five years as Director of Bands and Coordinator of Ensembles at Loyola University Chicago. During the same period, he taught on the music education faculty at the Chicago College of Performing Arts at Roosevelt University.

Dr. Taylor received the Master of Music degree from Northwestern University, where he studied conducting with John P. Paynter and Stephen G. Peterson; he received his training in music education from renowned pedagogues Bennett Reimer and Peter Webster.

He received his undergraduate degrees from the University of Notre Dame, where his first conducting teachers were Walter Ginter and Carl Stam. His final appearance as Drum Major of the Band of the Fighting Irish coincided with the football team's most recent national championship (1989). He also performed in the Concert Band, Orchestra, Liturgical Choir, Men's Glee Club, and Collegium Musicum.

Dr. Taylor and his wife and son reside in Lake Forest, IL.

Friends of the MAC

The Friends of the MAC is a family of those who have decided that a world-class performing and visual arts center should reside in their community. Ticket sales provide only 42 percent of our \$4 million operating budget. It is through the support of College of DuPage and through the generous gifts from patrons and local businesses that we can keep art in our museum and on our stages.

Your Gift to the MAC

- Brings nationally and internationally renowned artists to our community
- Supports our SchoolStage program that annually offers affordable arts experiences to thousands of schoolchildren
- Provides students and community members the opportunity to interact with artists
- Enhances quality of life in our community

Without the generous support of the Friends of the MAC, we would not be the beacon for the arts in DuPage County. We gratefully thank our friends, and we invite others to join them.

Arts Center and MAC-tastic Treat Seats Endowments

Donor may choose to direct gifts to the Arts Center Endowment or the MAC-tastic Treat Seats – Tickets for Kids & Families Endowment. Donations made to these MAC Endowments, our “savings accounts,” go into principal secured, invested accounts that will provide ongoing support for arts programs and arts accessibility for years to come.

The McAninch Arts Center and the College of DuPage Foundation can also provide you with information on planned giving options, gifts of stock, IRA Charitable Rollovers and other giving opportunities.

For complete details, visit the MAC Box Office or contact the College of DuPage Foundation at (630) 942-2462 or foundation@codfound.org.
